

# Year 7 - Welcome to Africa!

## SECTION A—THIS SHOULD TAKE ONE HOUR

Africa is the 2nd largest continent in the world and is full of wonder and amazing geography. A lot of people just think of it as one big place but it contains 54 countries all with their own uniqueness. Your first task is to get an atlas, find them and write down the names of the map below. You may have to write some as abbreviations to fit them in. For example, you may wish to write Ghana as Gh. But make sure that you put all these abbreviations in the box underneath the map. (27 marks)
