

Year 7 - Welcome to Asia!

SECTION A—THIS SHOULD TAKE ONE HOUR AND 30 MINUTES

Asia is the world's largest and most populated continent. It is full of amazing countries with wonderful food, people and of course geography. It has 48 countries in total and we want you to find the following 30. Simply use an atlas to find the 20 countries on the map underneath and to find out their capital cities. Write your answers in the table. (40 marks)

No	Country	Capital	No	Country	Capital
1			11		
2			12		
3			13		
4			14		
5			15		
6			16		
7			17		
8			18		
9			19		
10			20		

For the next task we want you to concentrate on one Asian country.....India. Your task is to complete an A3 poster on the country. You may wish to add information on:

- A map of India
- The main cities and tourist landmarks.
- Physical Features such as rivers and mountains.
- Religions in India
- Languages in India
- The Climate of India.
- Any other interesting facts and figures you find that you think will be good.

Your work will be marked out of 25 and marks will be awarded for the following things!

- How detailed is your information - Is there short snappy facts about all the areas listed on the information sheet? (main cities, tourist landmarks, physical features such as rivers and mountains, religions, languages, map of India)
Marked out of 10
- How well you have researched it - how relevant is the information? Is it interesting? Is it factual? *Marked out of 10*
- Presentation -Will it attract readers? Is it laid out well & colourful? Has it got a mixture of text/maps/pictures/graphs *Marked out of 10*

Good luck!!

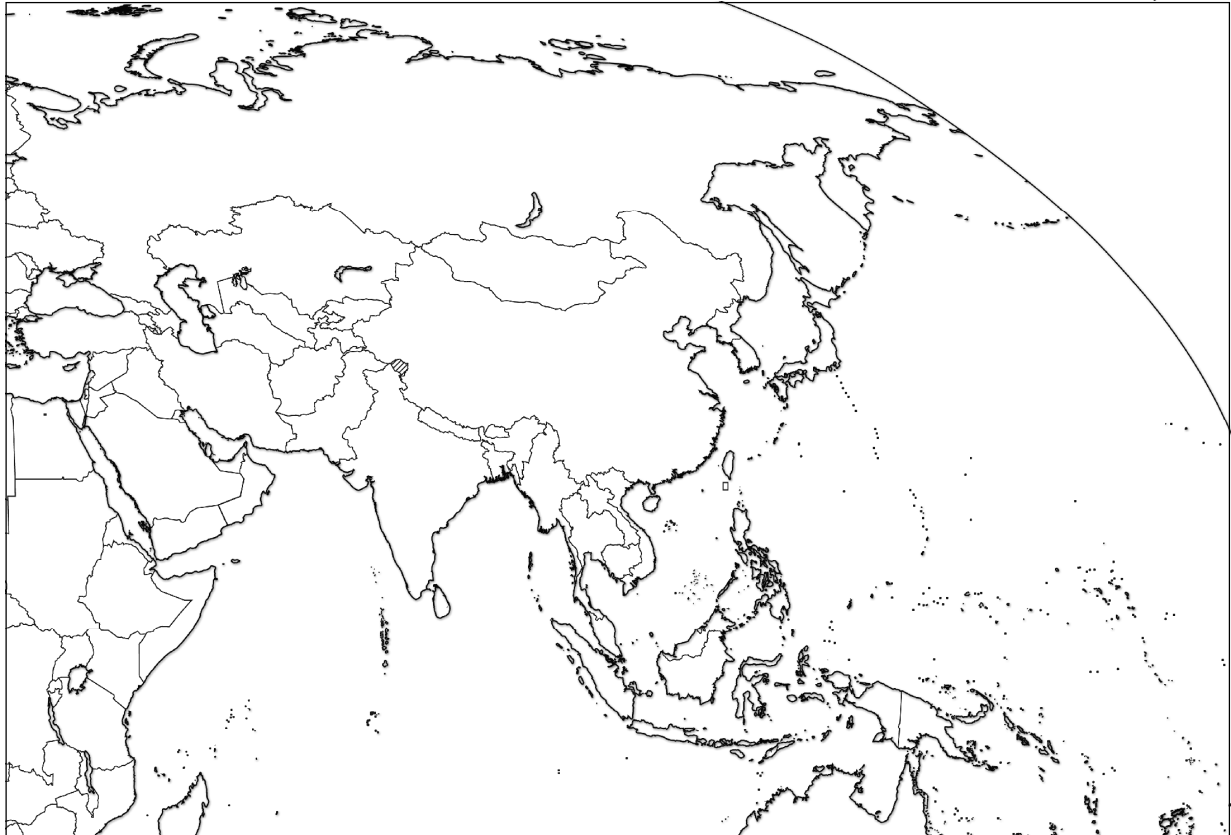

SECTION B—YOU SHOULD SPEND 30 MINUTES ON THIS TASK.

DO NOT COMPLETE AT HOME. JUST SPEND THE TIME REMEMBERING THE INFORMATION

When you hand in your ILP you will also be given the test underneath. You must spend the second hour of your ILP learning the answers to these questions then complete this section in class.
